& Dr. Jennifer Sidari**

What: "Angels in the Outfield" Softball Tournament
When: Friday August 15 to Sunday August 17, 2014
Where: Exeter Lions Little League

**-Just imagine if we can celebrate the lives of the Fallen Warriors
by having them as Angels in the Outfield.**

August 15th through 17th, 2014 the Exeter Little League will be hosting an all day slow pitch softball tournament to benefit the the Fallen Warrior Scholarship Fund. All raffle proceeds will be donated to the Wyoming Area Dr. Jennifer Sidari Memorial Scholarship Fund.

The thought of losing a child is most unbearable; yet, three of our colleagues, our family members are dealing with that very loss. Last year our community faced another devastating loss, Dr. Jennifer Sidari. Being a part of the Wyoming Area family is a very special gift. It is during times like this that we collectively come together to support these members of our community.

John Borzell, son of Jack and Mary Claire Borzell, Matthew Chipolis, son of Steven and Gina Chipolis and Mark Dushok, son of Richard and Debbie Dushok deserve our love and generosity from the community. Therefore we have established a scholarship in the name of these three Warriors. Dr. Jennifer Sidari is the daughter of Pete and Patty Sidari. The Fallen Warriors Committee would like to honor her memory with a scholarship at Wyoming Area in her name.

We would like to personally invite you to join us! All profits will be donated to the Fallen Warrior Scholarship Fund. All raffle proceeds will benefit the Wyoming Area Dr. Jennifer Sidari Memorial Scholarship Fund. These scholarships will be awarded to graduating Wyoming Area seniors who represent the entire Wyoming Area student body. This is the third year of the Fallen Warrior Scholarship and the first for the Dr. Jennifer Sidari Memorial Scholarship which we plan to continue supporting for as long as possible but we need your help. We are asking for monetary donations, baskets, gift certificates, etc. to help support this great cause and hope you will strongly consider contributing to the future of today's youth.
