

Dr. Jen's Hope Foundation reaches milestone

December 6, 2014

The friends and family of Dr. Jennifer Sidari recently announced that the Dr. Jen's Hope Foundation has reached its first milestone of endowing the Jennifer A. Sidari, M.D. Scholarship at her alma mater, The Commonwealth Medical College (TCMC). The foundation has raised more than \$50,000 for the TCMC scholarship. Friends and family gathered on Nov. 14 at Posh at the Scranton Club to make the announcement to its supporters and the community. All those who gathered together in memory of Dr. Jen brought a stuffed animal or toy donation for the Children's Advocacy Center in Scranton.
